March Meeting

The March meeting of the Shoreline Amateur Astronomical Association will be held on March 21st, beginning promptly at 7:00 PM in the West Ottawa Middle School Planetarium in Holland, Michigan. Refreshments will be provided. The agenda will be as follows:

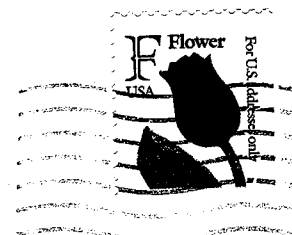

- | | |
|-----------|---|
| 7:00-7:15 | Refreshments and Socializing. |
| 7:15-7:30 | The February Night Sky. |
| 7:30-8:30 | A slide show will be given by Bill DeVette of the Muskegon Astronomical Society. Bill is an accomplished astrophotographer and is back by popular demand. |
| 8:30-9:00 | General Business Meeting: see below for details. |

Board Meeting

The last board meeting was held on February 28th, 1991 with Pete Burkey, Steve Tuls, and Rob and Michelle Tuls present. Rob gave a Secretary/Treasurer's report and reported \$358.43 in the club treasury as of February 28th.

The upcoming Astronomy Day at Westshore Mall was the main topic of conversation, with various responsibilities being assigned. Pete will contact Vivekananda Monastery to see if we can use the 22"

3882 62nd Street
Holland, Michigan 49423

as part of our display. Steve and Rob will make various arrangements in order to get an Astronomy Day poster contest going. Rob will make sure there is plenty of club information to pass out to interested people.

Rob is also going to look into getting T-shirts with the club logo imprinted. Any input? Contact Rob with your ideas.

The General Business Meeting following Bill's slide presentation will be concerned with tying loose ends together for the Mall show. We need your time and help -- without it the show *will flop!*

Respectfully submitted by Rob Tuls.

1991 Observing Program

Due to our infamous cloudy weather, there has not been a change in our point standings. Only Mark and Bob are in the running, although rumor has it that Pete has a few observations, unofficial as yet...
