### **March Meeting**

The March meeting of the Shoreline Amateur Astronomical Association will be held on Thursday September 15th, beginning promptly at 7:00 PM in the West Ottawa Middle School Planetarium.

Business meeting.

Nominations for club officers will be accepted.

Sandy will give a tour of the September night sky.

Slides or video show.

Refreshments will be served.

### **Star Party**

Our next Star Party will be on Friday October 7th at the Vivekananda Monastery. For those of you who may not know, we have access to a 22" telescope. If you need directions please contact me (Mike) and I will get you at map.

### **Dues are due**

Its that time again. Please bring your membership money to the September meeting. I wish I could tell you how much it was, but we haven't decided how much money to pay the editor, yet.

## **IDEAS, IDEAS, IDEAS, IDEAS**

That's right, they keep on dwindling. Please give your suggestions for upcoming meetings to one of the board members, and we will do what we can to implement your idea.
