

The Shoreline Observer

Newsletter for the
Shoreline Amateur Astronomical Association

November 1995

President - Phil Sherman

Vice President - Pete Burkey

Secretary/Treasurer/Editor - Mike Henry

November Meeting

The November meeting of SAAA will be held on Thursday November 16th at 7:00 PM in the West Ottawa Middle School Planetarium.

- ♦ Business Meeting.
- ♦ Sandy will give a tour of the November night sky.
- ♦ Tim will be telling us about the constellation Cygnus.
- ♦ Our program will be a video on the Domsday Asteroid that was recorded off NOVA.
- ♦ Don Lewis will be bringing refreshments.

Treasurers Report

As of Nov 14, 1995: \$248.13

November Star Party

This month our star party will be held on Nov 17,18 OR Nov 24,25, which means if it is cloudy on a Friday, we meet on a Saturday. Call Pete Burkey at 392-5704 for confirmation.

Name Change

Many people have been thinking of changing the name of our club. Why? Because it's too long of a title and it doesn't really say who we are or where we are from. Here are some new names that were discussed at the Oct meeting:

- ⇒ Shoreline Amateur Astronomers
- ⇒ Holland Astronomy Club
- ⇒ Shoreline Astronomy Club
- ⇒ Western Michigan Skywatchers
- ⇒ Western Michigan Cloudwatchers
- ⇒ Shoreline Astronomical Society

If you have any other ideas for a name, bring them with you on Thursday and we'll discuss them. Also, I think we will be voting for a new name (or we might keep the old one) on Thursday.
